

## Keravive Packages

### The Total Correction Package

Full Scalp (2+ areas of concern) – 3 full scalp treatments and 3 take home sprays – \$1080

Partial Scalp (1 area of concern) – 3 partial scalp treatments and 3 take home sprays – \$810

The ideal package for those already seeing areas of thinning, balding, excess shedding, low or no re-growth, extreme buildup, breakage & poor hair quality.

\*After nearly a decade of research, we know best results come from the above package.

### The Targeted Maintenance Package (Post-treatment)

Full or Partial Scalp– 3 take-home sprays - \$270

After completing your correction package, maintenance is easy. This package includes 3 months of the daily take-home treatment. At this point, it is ideal to re-evaluate scalp health and goals and determine next steps.

### The Therapeutic Refresh Package

Full Scalp – 2 treatments and 2 take-home sprays – \$760

Partial Scalp – 2 treatments and 2 take-home sprays – \$570

This refresh is best-suited for those looking to maintain their natural hair health, or supplement progress they have already made after experiencing breakage, loss of volume, or those simply seeking fuller, healthier hair. It's also perfect for those who regularly style with heat, relaxers, or tight braids, extensions, and more.

### Prevention Package

Partial Scalp – 1 treatment and 3 take-home sprays - \$270

Interested in starting the journey to more confident hair days? Start here.

One treatment along with daily use of the take-home spray will kickstart natural hair growth and improve scalp health.
